Dhiraj Sawant

Java Developer

+91 7028954720 · sawantdhiraj699@gmail.com · LinkedIn · Portfolio

Career Objective

Results-driven Java Developer skilled in Spring Boot, Hibernate, Microservices, and JPA. Adept at building scalable applications and collaborating across teams to solve real-world business problems.

Technical Skills

Languages: Java, JavaScript, C, HTML, CSS, SQl.
Frameworks: Spring Boot, Spring MVC, Hibernate/JPA, Angular, Bootstrap.
Databases: MySQL, PostgreSQL
Tools: Eclipse, VS Code, Git, GitHub, Postman, Jira, Maven
Concepts: OOP, Multithreading, Exception Handling, Design Patterns, Collections Framework, REST API Development, MVC Architecture.

Internship

Junior Software Engineer — Dec 2025 – Present
Cravita Technologies Pvt. Ltd. — *Pune, India*

- Working on a real-time enterprise application under professional mentorship.
- Contributing to backend development using Java and Spring Boot in a production environment.

Training

Full Stack Java Training — July 2025– Dec 2025
Fortune Cloud Technologies Pvt. Ltd. — *Pune, India*

- Built end-to-end web applications using Angular, HTML, and JavaScript.
- Learned Core & Advanced Java; optimized queries with MySQL and PostgreSQL.

Projects

Hotel Booking System

Technologies: Java, Spring Boot, JSP, Hibernate, PostgreSQL, Bootstrap

- Developed a hotel booking web application with user registration, login, and room reservation features.
- Implemented room availability tracking and online booking management.
- Built an admin dashboard to manage rooms, bookings, customers, and hotel inventory.
- Used Hibernate/JPA for database operations and PostgreSQL for data storage.
- Designed responsive user interfaces using JSP, HTML, CSS, and Bootstrap.

Homesteader

Technologies: Java, Spring Boot, PostgreSQL, HTML, CSS, JavaScript, Bootstrap

- Developed a smart agriculture platform providing crop recommendations and farming guidance.
- Implemented irrigation scheduling and fertilizer advisory features for farmers.
- Integrated weather-based recommendations to support agricultural decision-making.
- Designed a responsive and mobile-friendly user interface using Bootstrap and JavaScript.
- Developed RESTful APIs using Spring Boot and managed data using PostgreSQL.

Education

Bachelor of Computer Applications (BCA) — 2022 – 2025
ASC College, Sonai

HSC — 2019 – 2021
Jijamata College,bhenada

SSC — 2018 – 2019
Jijamata Public School, bhenada

Certifications

- Full Stack Development — A2Z IT Hub
- Full Stack Java — Fortune Cloud Technologies

Core Competencies

* Expertise in Java and Spring Boot for scalable backend development.
* Proficiency in designing and consuming RESTful APIs with documentation using OpenAPI.
* Hands-on experience with modern front-end frameworks like Angular for responsive UI design.
* Strong skills in database optimization, query tuning, and managing MySQL and PostgreSQL databases.
* Exceptional problem-solving and debugging abilities with a collaborative mindset.
